

GREEN PEEL

The original GREEN PEEL® Herbal Peeling Treatment, for decades speaks for itself. It is the solution for various skin problems in the face and on the body.

These include:

- Large-pored, seborrheic skin
- Impure skin, sebum cysts
- Scars
- Skin prone to premature formation of wrinkles
- Sun damaged skin
- Some forms of hyperpigmentations
- Stretch marks (striae)

A new skin in 5 days

Beauty-to-go

The quick beautifier with immediate effect provides a fresh, radiant complexion in just 25 minutes while removing fine lines and a tired complexion. A blend of 10 herbs, it is 100% natural, simple and painless and can be done during lunch time or just before an event. With GREEN PEEL beauty2go a herbal mixture is gently massaged into the skin. The effect of this light, short massage is that it stimulates blood circulation and increases the metabolism.....[R795](#)

GREEN PEEL® Fresh-Up

The freshness kick. Without peeling effect. With this method, there is also no peeling effect. Instead, the skin is stimulated and refreshed with natural herbs. Blood circulation is stimulated, pores open and the skin is now able to optimally absorb the ingredients of the subsequent skin care. This is why this treatment is the ideal problem solver for tired skin without freshness and serves as an effective prevention helper against premature aging and loss of elasticity - even if your skin hasn't started showing the signs of age yet.....[R1050](#)

GREEN PEEL® Energy

The vitality and regeneration kick without peeling effect. This treatment with natural herbs noticeably provides energy. It stimulates blood circulation and metabolism and thus leads to a natural improvement of the skin texture without any peeling effect. It helps to reduce age-related skin appearances as well as impurities, scarring and pigment disorders. It works ideally as repeated, intensive salon treatment several times a year.....[R1400](#)

GREEN PEEL® Classic

Regeneration and renewal with peeling effect. This is the "classic" among the GREEN PEEL® peeling treatments. After a thorough evaluation, the Herbal Peeling mixture is intensively massaged into the skin. Blood circulation is increased, the supply of oxygen and nutrition is improved and skin renewal is stimulated. This effect is stopped after two to five days depending on the skin texture with a more or less strong peeling process of the skin. During this time, the skin needs to be treated at home with special Dr. Schrammek skin care products.....[R1800](#)
